

Inverter Spot Welding System

Bulletin

Bulletin# 508

Date: October 10, 2008

To: All Pro Spot Team members

Subject: Mercedes-Benz Approval

Pro Spot receives global Mercedes-Benz approval

Pro Spot is proud to announce that it received global approvals for the i4 resistance spot welder. The approvals are for welding of all Mercedes-Benz steels including Usibor, TRIP, ZE340 and other High Strength Steels used in today's Mercedes-Benz, Maybach and Smart vehicles.

The sales will be handled through the SPX/DES program for the U.S. market and through the Gotis program internationally. We will keep you informed as more details of the program become available.
